[Verse One]

I love how you doing the things you do
Ghetto girl with the braids and the nike shoes
I don't mean no disrespect to you
But a nigga really tryna F**K wit you
See you looking at me with those hazel eyes
Big chest, Big butt and those big ol thighs
All eyes on you and that's 4sho
You shakin' it like you in my video

[Chorus]

Mami shake it
Mami twerk it
Girl I lovein' the way you work it
So mami can you take it off
That's all I really wanna do is see you take it off (Take it
off, Take it off girl)
Your body is bangin' â€¦ Girl!
Don't leave me hangin
So mami can you take it off
That's all I really wanna do is see you take it off (Take it
off, Take it off girl)

[Verse Two]

Swinging your hips from left to right
I'm tryna leave this place with you tonight
Really wanna see you take it off for me
Love what you doin', when you doin' that shit for me
It be shakin' like a Polaroid picture
I'm just tryna get behind and grindin' wit cha
Up and down, round and round, side to side we go
Damn girl I gotta put you in my video

[Chorus]

Mami shake it
Mami twerk it
Girl I lovein' the way you work it
So mami can you take it off
That's all I really wanna do is see you take it off (Take it
off, Take it off girl)
Your body is bangin' â€¦ Girl!
Don't leave me hangin

So mami can you take it off
That's all I really wanna do is see you take it off (Take it
off, Take it off girl)

Niggas wanna cut, cut
Cuz they love the way ya bitch move that butt, butt
Hataz thow ya hands up

The new tag team Mila J and Omarion
You ain't a balla wit spinnas on ya neon
Wish you'd disappear like poof be gone

Niggas lean back, Bitches dip low
If you can't do that, throw ya hands up lets go

[Chorus]

Mami shake it
Mami twork it
Girl I'm lovin' the way you work it
So mami can you take it off
That's all I really wanna do is see you take it off (Take it
off, Take it off girl)
Your body is bangin â€¦ Girl
Don't leave me hangin
So mami can you take it off
That's all I really wanna do is see you take it off (Take it
off, Take it off girl) [x3]
