No problems no bagage I love it, i love it
No problems no bagage I love it, i love it.

I was just coming home prayin she aint ?
Hiding my self phone
& I used to have to call every where I go
always just had to know
Now things have changed
Don't have to worry bout you trippin on losing ?
& Don't have to worry bout gettin all in my face
So secure witch yours I never heard you complain
& for that I say

Thanx for nothing, Thanx for nothing
You trust me, You love me
So Thanx for nothing, Oh girl your something
No fussin, You don't cuss me
Girl I just want to thank you
for being mad thru
For all the things you never done
and all the things never do
Thanx for nothing girl, Thanx for nothing
No drama, No baggage I love it
Thanx for nothing

She used to be starting fights
arguing all night, She just had to be right ooohh
I was playing the role of Dad, [i aint even mad]
I didnt even ask for that
Now things have changed
Don't have to worry bout you trippin on losing ?
& Don't have to worry bout gettin all, all in my face
So secure witch yours I never heard you complain
& for that I say

Thanx for nothing, Thanx for nothing
You trust me, You love me
So Thanx for nothing, Oh girl your something
No fussin, & No cussin
Girl I just want to thank you
for being mad thru

For all the things you never done
and all the things never do
Thanx for nothing girl, Thanx for nothing
No drama, No baggage I love it

Thankyou for all of the times
you never did these things to me ohh
For never trippin, Never cheatin, Never fightin
For never cussin, Never creepin, Never liein
Thankyou for all of the times you kept the money safe
for me?
For all your patience, For all your waiting Girl I'm sayin,
That you were always there for me
So baby Thank you.

Thanx for nothin, Thanx for nothin
Thankyou for lovin me the way you do
[Thanx for nothinof girl your something]

[background]
The way you don't question what I'm sayin
& how you never yell. ooh ohhh
When you checkin my phone, readin my emails, gotta
trust me
Thanx for nothin, Thanx for nothin.

Girl I just wanna thankyou
for being mad thru
All the things you never done
and all the things never do
Thanx for nothin girl, Thanx for nothin
No drama, No baggage I love it
Thanx for nothin, Thanx for nothin.
