[Bow Wow Talking]

Say O

Hmph

We don' been all around the world

We don' seen so many girls

In some of the hottest cities

Do me a favor bruh

Holla at the ladies

[Verse One]

I got this funny feeling

As soon as I landed in LAX

That's when I saw this sweet lil cutie

With that Christian Audigier across her chest

She said, "I just moved here from San Diego"

From the butterfly tattoo up on her navel

I knewww (Bow: What you know O?)

That she was the kind of girl I like

[Chorus]

All those Cali girls

They straight out the movies

Up in the videos (Ohhhh)

I love those Cali girls

Sometimes I think about it when I'm in the studio

All those Cali girls (Bow: I like that)

Walking up Sunset, like it's a runway

All those Cali Girls (Bow: I like that)

Oh man gotta get me one

It's something about those girls

[Verse Two]

Stepping out the 40/40

I'm the flyest motherfucka on the scene (Bow: So fresh)

That's when I saw this Spanish Mami

With Cavalli and Frankie B on her jeans

She said, "My family come from Puerto Rico" (Bow: Que tãº quiere?)

And the way her friends keeps smiling at me yoooooo

I knewww (Bow: What you know O)

That I could take this shawty home with meee

[Chorus]

All those Jersey girls
They could go from hoodies and forces
To tight jeans and high heels
I love those Jersey girls (Bow: Me too)
With the cocky attitudes
To tell you just how they feel
All those Jersey girls
I'm shopping in New York
And partying in Atlantic City
I love those Jersey girls
I gotta get me one
It's something about those girls

[Beat Plays]

[Chorus]

Those Miami girls
Rolling down South Beach
With rings in they bellies (Ha!)
I love Miami girls
Riding 26's on Chevy Caprices (Ohhh)
Those Miami Girls
I'm driving down Collins
They party 'til sun sets
Like it's their birthdays
I love Miami Girls (Bow: My favorites, yes, yes, yes)
Ah man, I gotta get me one
Something about those girls
