The definition of truth
Is lost in the telling
Objectively cold
To an unwilling tide
So who are you now?
Were you wounded by living?
Have you buried perspective
Screaming inside?

I see the choosers of the fallen
I see the promises they bind

God knows
That I am fighting still
Each step
Defining who I am
God knows
That Fate is armed with arrows
And she watches the battlefield

And if I fall, give me the strength to rise unbroken
And where I stand
The courage and will to fight
That when I dream
These eyes discern my purpose
And believe
And should I die
Self-sacrifice becomes this victory.

There's a fragment of me
In the words I'm giving
A doorway is opened
If you listen too long
So who have you dreamed
With the power of being?
Do you like who you are?
Do you like what you've done?

Valkyrie!

God knows
That I am fighting still

Each step
Defining who I am
God knows
That Fate is armed with arrows
And she watches the battlefield

And if I fall, give me the strength to rise unbroken
My Valkyrie!
And where I stand
The courage and will to fight
My Valkyrie!
That when I dream
These eyes discern my purpose
And believe
And should I die
The sacrifice becomes my Valkyrie!

My Valkyrie!
My Valkyrie!
My Valkyrie!

Valkyrie!

God knows
That I am fighting still
Each step
Defining who I am
God knows
That Fate is armed with arrows
And she watches the battlefield

And if I fall, give me the strength to rise unbroken
My Valkyrie!
And where I stand
The courage and will to fight
My Valkyrie!
That when I dream
These eyes discern my purpose
And believe
And should I die
Self-sacrifice becomes my Valkyrie!

And if I fall, the strength to rise unbroken
My Valkyrie!
And where I stand,
The courage and will to fight
Valkyrie!
And when I dream
These eyes discern my purpose and believe
And should I die
Self-sacrifice becomes this victory
