You were the one that taught me how to tie my
shoelace
You were there when I finished in second place
You were always there for me
When I broke up with that special girl & my heart hurt

Did I ever tell you
You're my unsung hero
My guiding light
My best friend

You were there when I fell and shed a tear
You gave me strength to help confront my fears
You were always there for me
You watched me grow and learn
The boy become a man
Year after year

Did I ever tell you
You're my unsung hero
My guiding light
My best friend
Did I ever tell you
You're my unsung hero
My guiding light
My best friend

Everything I am
Everything I own
I owe it all to you
Everything I am
Everything that I own
I owe it all to you

Did you know that you're my unsung hero
My guiding light
My best friend
Did you know that you're my unsung hero
My guiding light
My best friend

You're my hero
My hero
My hero
You're my hero
