Make a spark and keep it safe  
Every man, but not to give away  
Take my hand, don't take  
My art away

Can't dissolve what's mine  
TODAY

I want you both to know  
I'm not givin' it up  
These things are mine to shine  
And I'm not givin' it up

I want you both to know  
I'm not givin' up  
I'm not givin' up  
I won't give it up

You and I were meant to be  
But you were for the world to see  
Take my hand, don't take  
My art away

Can't dissolve what's mine  
TODAY

I want you both to know  
I'm not givin' up  
These things are mine to shine  
And I'm not givin' it up

I want you both to know  
I'm not givin' up  
I'm not givin' up  
I won't give it up

From the very heart of me  
And I feel like I could fly and  
Falling  
Falling in me

Yeah

Hey hey  
Yeah  
Yeah Yeah Yeah

I want you both to know  
Iâ€™m not givinâ€™ it up  
These things are mine to shine  
And Iâ€™m not givinâ€™ it up

I want you both to know  
Iâ€™m not givinâ€™ up  
Iâ€™m not givinâ€™ up  
I wonâ€™t give it up
