Reality Check From Southern California

With Brothas Smokin' On There  
Damn We Rollin  
Hadnin' The Mic  
Till We Decide About The Safe Life

California Where I Raised Till This Very Day  
Hell To Pay For The Ways Of The Blaze  
Everyday A Hundred Miles An Hour

Cause My Soul's Been Devoured  
Never Looked Up Above  
And Push Came To Shove  
As It Usually Does  
Keepin' With These Thugs

Doin' All Of These Drugs With No Means Of Direction  
Infection  
But Here's My Objection  
Rejection  
By Your Whole Congregation  
With No Empathy For My Situation  
No Place In Society Thats My Reality  
Angry Dont Know Whos The Enemy  
I'm In Deep  
Underneath The Streets  
It's Hard To Creep From City To City  
With All These Hitters And The Heat  
Killin' Me Stealin From Me  
Makes No Sense To Me  
So I Keep It Tight With The Homies In The Family

Here's A Reality Check From The Streets Of California  
Keep Your Eyes Wide Open To What's Really Goin' On  
Yo  
Things Ain't Always What They Seem  
Things Ain't Always What They Seem

Here's A Reality Check From The Streets Of California  
Keep Your Eyes Wide Open To What's Really Goin' On  
Yo

Things Ain't Always What They Seem  
Things Ain't Always What They Seem

We're All Smokin  
Tryin' Broken Homes  
Chokin' Locos  
For Pesos  
Slingin' Dope By The Case Os  
Smokin' Cocos  
Laced With Dope And Opium  
Cities For Niggaz Causin' Fuckin' Pandemonium  
Cottonmouth

Bustin' Tracks From Kid Kreation  
Me And The Artists Who Performed The Hardest  
Collaborations  
Born And Raised In The Golden State

Servin' Up Some Dinner  
For Southern County Serial  
Imperial  
Superial Lyrical  
Opium Den  
Evolution Of Man  
For Your Political Pollution  
There's No Solution For These County Criminal Minds  
Just Subliminal Rhymes  
Hypnotizing Mankind

Here's A Reality Check From The Streets Of California  
Keep Your Eyes Wide Open To What's Really Goin' On  
Yo  
Things Ain't Always What They Seem  
Things Ain't Always What They Seem

Here's A Reality Check From The Streets Of California  
Keep Your Eyes Wide Open To What's Really Goin' On  
Yo  
Things Ain't Always What They Seem  
Things Ain't Always What They Seem

Heres A Reality Check From The Streets Of California

See California The Major Growth Industry  
Are Private Security And Penitentiary  
Risin From The  
Post War Economies  
That's Why The Pigs Got My Homies Down On Their  
Knees  
Lined Up Against The Walls  
So The Community Can See

That The Po Po Wont Go Away  
So Please Now  
Open Up Your Eyes And Realize  
The Land Of Sunny Skies  
Disguised As Paradise  
Is A Lie

Here's A Reality Check From The Streets Of California  
Keep Your Eyes Wide Open To What's Really Goin' On  
Yo  
Things Ain't Always What They Seem  
Things Ain't Always What They Seem

Here's A Reality Check From The Streets Of California  
Keep Your Eyes Wide Open To What's Really Goin' On  
Yo  
Things Ain't Always What They Seem  
Things Ain't Always What They Seem
