I don't want to be
Alone tonite
Please stay with me
Cause I'm so tired
Tired of waiting
Tired of faking
And tired of pretending I'm fine

I'm fine

It's Friday night and I'm tied to the telephone
Waiting on your call while the radio goes
This song goes out to anyone alone
Don't worry I know that you'll find someone

And I
Just can't believe
That you would
Do this to me

I don't want to be
Alone tonite
Please stay with me
Cause I'm so tired
Tired of waiting
Tired of faking
And tired of pretending I'm fine

It's twelve 'o clock and I'm lost inside my head
I'll switch to cds and get ready for the memories
Pour a drink to wash it down try so hard to forget the
sound
Of your voice ringing out loud someone's got to stop
this now

And I
Just can't believe
That you would
Do this to me

I don't want to be
Alone tonite

Please stay with me
Cause I'm so tired
Tired of waiting
Tired of faking
And tired of pretending I'm fine

If this is how it's got to be
I guess I'll just pour another drink
And toast to your victory
I think you're a whore

I don't want to be
Alone tonite
Please stay with me
Cause I'm so tired
Tired of waiting
Tired of faking
And tired of pretending I'm fine
