I'm laying it on the line to show you
I'll never let you go,
On the line for your love
There's nothing I want more.

Another dead-end street, another love gone wrong,
Another shattered dream,
Always the same old song.
I started thinking that you'd never come along,
I got all this love inside, that will show no words tonight,
I'm wishing you knew what I've been through to get to
you.

Chorus

I'm laying it on the line to show you,
I'll never let you go,
On the line for your love,
There's nothing I want more.
When you smile, I feel my heart open,
And I know there's nothing that I wouldn't do.
I'm laying it on the line this time, just to be with you.

After everything my heart's been through,
I treasure every moment I spend with you.
For me to feel this way is something new,
Now it's got a hold of me and it's making me believe,
That what we've got is something unlike any other.

I'm laying it on the line to show you,
I'll never let you go,
On the line for your love,
There's nothing I want more.
When you smile, I feel my heart open,
And I know there's nothing that I wouldn't do.
I'm laying it on the line this time, just to be with you.

Woah, yeah.

If you're thinking what you're thinking, girl,
all you gotta do is say the word,
If you tell me what you need,
I can give you what you're asking for.

When I didn't have a prayer, I thought nobody cared,
I turned around and you were there.
How I've been waiting for you - waiting for you, baby.
And I want you to know - I want you to know.

On the line to show you,
I'll never let you go,
On the line for your love,
There's nothing I want more.
When you smile, I feel my heart open,
And I know there's nothing that I wouldn't do.
I'm laying it on the line this time, just to be with you.

On the line to show you,
Never gonna let you go,
On the line for your love,
There's nothing I want more.
When you smile, I feel my heart open,
And I know there's nothing that I would not do.
On the line this time, just to be with you.
