Can you feel the love tonight.  
The peace the even-ing brings.  
The world, for once,  
In perfect harmony.  
With all it's living things...

Can you feel, the love tonight.  
You needn't look too far.  
Stealing through,  
The night's uncertainties.  
Love is where we are...

[[Amazing guitar entrance]]

No chance, no way,  
I won't say I'm in love.

You're smooth, you slide.  
Why deny it. uh. oh.

It's too cleashy,  
I won't say I'm in love!

Shoo-opp-shopp.  
A shoop-shoo-ah.

I thought my heart had learned it's lesson.  
It feels so good when you start out.  
My head is screaming  
Get a grip, boy!  
Unless you're dying to  
Cry your heart out!

You keep on denyin'.  
Oh, you are at higher.  
Feelin' baby when you flyin'  
Hon, we saw you hit the ceilin'  
Face it like a grownup.  
When you got it going you  
Got. Got it, now.

Whoa-oh-oh-oh!  
No chance, no way. I won't say it,  
No! No!

Give up!  
Give in!  
Check the quin, you're in love.

The sea won't play.  
I won't say I'm in love.  
You're way off base,  
I won't say it.  
Get off my case,  
I won't say!

Why don't  
Be proud.  
It's okay you're in love.

Whoa-oh-oh-oh-oh.  
At least out loud,  
I won't say I'm in...  
Love...

Let's get together, yeah, yeah, yeah.  
Why don't you and I combine?  
Let's get together, why do'ya say?  
We could have a swingin' time.  
We'd be a cra-a-a-zie team.  
Why don't we ma-a-ake a scene.  
Together...

Oh. I really think you're swell.  
We really ring the bell.  
Whoo, wee. And if you stick with me.  
Nothing could be greater.  
Say hey alligator!

Let's get together.

No chance no way.

Two is twice as nice as one.

I won't say I'm in love.

Let's get together.

It's too cleashy.

We'll be having twice the fun.

I won't say I'm in love...

And you can always count on me

My head is screaming  
Get a grip!  
Boy!

Let's get together.  
Yeah, yeah, yeah.

Oooohhhh...  
Isn't this amazing.  
It's my favorite part because  
You'll see...

Here's... where she meets Prince Charming.  
But she won't discover that it's him,  
Till chapter three...

[[Chimes ring off in the distance. slowly fade away]]
