I walk 60 blocks  
And I'm bein' pushed around  
Tired of it  
Tired  
Trust me you won't like me  
When I'm mad  
Oh no  
Your messin' with the wrong man  
Pushed to the ground  
Around and around  
Tired of it!

I'm bein pushed around  
I'm gonna yell so loud  
I'm tired of bein' pushed around!  
Tired of bein' pushed around  
what's wrong with the world  
It's goin haywire  
I'm gonna burst in flames  
Nothings the same

Nobody cares  
And they're never gonna  
Because they are distracted  
By money and fabrics  
Nothing is not gonna change!

It's time to fight!  
Back!  
I'm tired  
Of bein' pushed around!  
And around  
And around  
So  
I'm gonna fight!  
Fight!

Fight!  
Never gonna let the pushing get to me  
But it's so hard to ignore!  
I'm at the bottom if the life chain!  
No one knows my name

It's just not the same!

I'm tired!

Tired!

Of being pushed around!

And around!

So I'm Gonna Fight!
