[Hi-C]

Bang, nigga

Hi-C's in the muthafuckin house

Check this shit out

We gon' get 2 Skanless on this muthafuckin track

I got all my homeboys in the house

Tony-A's in the muthafuckin house

See y'all check this ol' Skanless shit out

We gon' go a little bit somethin like this

Hey yo homies, step to em

Do em

[VERSE 1: DJ Quik]

Yo, it won't take long

For us to make a song

That you can sing along to

So bring along a few

Of your hoeish friends so I can watch 'em all squabble

Over who can suck the ick-doble

Even though your lovin just takes me out

Why I wanna kiss you with my nut in your mouth?

I'll fuck you in between your jaws of course

And that's the reason your voice got hoarse

Cause niggaz like us tag-team on tour

You say you're 19, hoe? Yeah, sure

And ain't no bitch that I met had a boyfrined

Lyin and they steady tryin to get in

Backstage the hooker couldn't get a fuckin pass

Went up to my homie C and showed a lotta ass

And now she's in the dressing room lookin dumb

Fuck it, help me bust a nut before the break comes

[VERSE 2: AMG]

It ain't nothin but a bucket full of cash and ass galore

Riches from the bitches and hoes from the shows

AMG, the king of 40oz swing

Makin money with my ding-a-ling

And big dick for the tricks that buy my jam

How about a little wham-bam thank you ma'am?

I can give you champagne, dick and a bad name

When you play the role of a dick fiend

You know what I mean?
In my Lettermore AMG runs the penis store
Buy three dicks for a dollar
It make you holler, it make you swallow
You gotta have dick control to be a 304
Cause pussy ain't nothin but a hole
And most bitches ain't nothin but hoes
So what I'm gonna do right here on this tip
Is bust that Skanless shit

[KK]

Yeah, doin the shit like it should be done
Slingin the shit like it should be slung
KK's in the muthafuckin house
Lil' Frog's in the muthafuckin house
Yo, check this shit out, homies
I want y'all to step to em
Won't y'all run up on the mic
Yo, kick that shit like this

[VERSE 3: KK]

A nigga that's too kinda crazy to fuck with
Bring on the punk shit, you might get dealt with
Cause I'm a skank takin all bank
Ain't got no time for a bitch when she stank
You better watch moms, she lookin kinda proper
Ain't up in that ass, I'ma straight have to drop her
And if yo pops wanna join in a glitch
I punk him for his belt and whip him like a bitch
Oh yeah, it's a nigga like me
A fool KK fuckin up your family
Sittin on your porch with your grandma Bell
I'm waitin for that check to pop up in the mail
I wanna fuck your sis, that ass gettin fat
She might be 15, but she 21-stacked
You mad on a fuck? The pussy ain't no bigger
See, you can still be my homie to a Skanless ass nigga

[VERSE 4: Lil' Frog]

I'm the F-r-o to the g, Lil' Frog
Pass me the 40, I'ma do it like a dog
Cause I'm tired of the punk-ass suckers
I said Compton, some niggaz said fuck us
But you know that shit ain't gon' work
Come to my hood and get rushed to the dirt
In the streets some fools are quick to let loose a cap
Niggaz with guns don't scrap
Now watch your so-called friends, they'll get atcha
They'll get jealous and jack ya
They can't fade me, gee, cause I'll cross em
Tear they ass up and toss em

Fuck a pimp and a player, that's old
Most bitches like cars and gold
So when I'm comin in a Caddy like a big daddy
Boss hog, bow down to the Frog

[VERSE 5: Hi-C]

One time for the nine and the deuce
Right now I'm 'bout to get real loose
Cause Hi-C's in the muthafuckin house
Turnin this shit on out
Just a little bit better than the last time
So sucker, get ready for another rhyme
And niggaz get offa my dick
As I kick a little somethin like this
Once again it's the Crawf, the C-r-a-w-f
Now I'ma take a big, deep breath
Let's see..
Which happy hooker wanna mess with me
Ehm - mirror mirror, on the wall
Who is the Skanless of them all?
The mirror said, "Hi-C take no falls
Because he got a big, fat dick and balls
Maybe one day I might meet my match
Jump in some coochie and never come baaaaaaack
Cause I got girls that's deep
Dive in a pussy, drownin six feet
Now how your parents gon' tell me I need to quit
Talkin that Skanless shit
Last time I bust a nut on your little baby's head, nigga
Your child is born, now I'm fuckin the baby sitter
