Hey man, take off these shoes of mine  
Run, just go ahead take your time  
Expand your spatial relations  
Try to see through mine  
No matter what you see keep them open  
It may be Technicolor, deafly sublime  
Beware the temptation before you trick your life to  
mine  
You gotta keep yourself out of the grey man  
You gotta keep yourself out of the grey  
You gotta keep yourself out of the grey man  
You gotta keep yourself out of the grey  
I wish you could see through my eyes  
Just another day you leave behind  
Drag your feet and get in line  
Just another blade in the meadow  
Buy the ticket take the ride  
You're just an everyone with nothing to say man  
You're just an everyone with nothing to say  
You're just an everyone with nothing to say man  
You gotta keep yourself out of the grey  
I wish you could see through my eyes  
Hate me, for all I've ever seen  
Hate me, for all I'll ever be  
Hate me, for my simplicity  
Hate me, for our dichotomy  
Nothing, is what you mean to me  
Nothing, is all you'll ever be  
Nothing, means everything to me  
Nothing, is all you'll ever see  
I wish you could see through my eyes
