"Downtown"

Come on with me to the centre of my dreams
Listen to the feelings of your soul
Just forget about the hard times left behind
And think of where you really want to go
Let me show you what to be
Let me show you can be free
Let me take you to the place I know
Let me take you when we come, lets go
Come downtown
In the city there's lots of fun
Down downtown
Wooa wooa wooa woo
Come downtown
Lets go ahead, don't turn around
Down downtown
Wooa wooa wooa woo
Think of all the times when you were living out
I had no money and no place to go
Think of all the times you were on your own
No one seemed to care - no friends, no love
Let me show you what to be
Let me show you can be free
Let me take you to the place I know
Let me take you when we come, lets go
Come downtown
In the city there's lots of fun
Down downtown
Wooa wooa wooa woo
Come downtown
Lets go ahead, don't turn around
Down downtown
Wooa wooa wooa woo
I wont take all of the shadows right away
Into summer with a brighter day
Loosen up
We can live a life of happiness and style
Aha
Down downtown
Wooa wooa wooa woo
Come downtown
Down downtown

Wooa wooa wooa woo
Come downtown
