(#37 in May 1989.)

Come on with me to the centre of my dreams
Listen to the feeling of your soul
Just forget about the hard times left behind
And think of where you really wanna go
Let me show you where you wanna be
Let me show you where you can be free
Let me take you to the place I know
Let me take you with me come, let's go
Come down town
In the city there's a lot of fun
Down down town (whoa-oo-whoa-oo-whoa-oo-whoa)
Come down town
Let's go ahead don't turn around
Down down town (whoa-oo-whoa-oo-whoa-oo-whoa)
Think of all the times when you were down and out
Had no money and no place to go
Think of all the times when you were on your own
No one seemed to care no friends, no love
Let me show you where you wanna be
Let me show you where you can be free
Let me take you to the place I know
Let me take you with me come, let's go
Come down town
In the city there's a lot of fun
Down down town (whoa-oo-whoa-oo-whoa-oo-whoa)
Come down town
Let's go ahead don't turn around
Down down town (whoa-oo-whoa-oo-whoa-oo-whoa)
I will take all of the shadows right away
Into Soho and a brighter day
Loosen up (oo-oo-oo-oo-oo-oo-oo)
We can live a life of happiness in style
Piano solo
Come downtown
Down downtown (whoa-oo-whoa-oo-whoa-oo-whoa)
Come downtown
Down downtown (whoa-oo-whoa-oo-whoa-oo-whoa)
Come downtown
Down downtown (whoa-oo-whoa-oo-whoa-oo-whoa)
(FADE:)

Come downtown
