Say yeeeeeah! Give me your lovin'  
(Gimme, gimme, gimme, gimme, gimme, gimme,  
gimme your lovin')

Thought that it would be so easy  
thought that I could be alone  
But when I'm close to you I lose my mind, I lose control  
(Gimme your lovin')

I want you so  
I won't let go  
please give me now  
a sign to move on o-on

Gimme, gimme gimme your lovin'  
far away from you seems like dying  
Don't you leave me standing in the dark  
oh, oh, o-oh  
Gimme, gimme, gimme your lovin'  
gimme, gimme a chance to make you my girl  
let me be the one to win your heart.  
gimme your lovin'

Thought that everything would be okey  
I could live just on my own  
(Gimme your lovin')

But I want you so  
I won't let go  
please give me now  
a sign to move on o-on

Gimme, gimme gimme your lovin'  
far away from you seems like dying  
Don't you leave me standing in the dark  
oh, oh, o-oh  
Gimme, gimme, gimme your lovin'  
gimme, gimme a chance to make you my girl  
let me be the one to win your heart.  
(gimme your lovin')  
gimme your lovin

gimme, gimme, gimme, gimme, gimme, gimme  
gimme, gimme, gimme your lovin'

na-na-na-na na-na-na-na-na  
na-na-na-na na-na-na-na-na  
na-na-na-na na-na-na-na-na-aa.

oh o-oh

Gimme, gimme gimme your lovin'  
far away from you seems like dying  
Don't you leave me standing in the dark (standing in  
the dark)

oh, oh, o-oh

Gimme, gimme, gimme your lovin'  
gimme, gimme a chance to make you my girl  
let me be the one... to win your heart.

gimme your lovin'  
gimme, gimme
