Verse 1- I know this is where you pose to be, I feel your hips moving close to me. drop drop shawty dippin, body on a mission. I found her hotspot it's no longer missing. she's up for the huggin, down for the kissin. eye's on you girl don't need no television. you're my entertainment I love it when you bring it, I know, you want me, want me, let me hear you say it. voice like a song can I get it on my playlist. damn that's my favorite, I hope you ain't taken, cause umma bout to take it.

Chorus- lil momma dip, dip, dip, dip, and drop it to the ground.
She got her hips, hips, hips, hips, rocking to the sound.
I can not stop, I gotta, to watch it when she, move watch it when she move,
Watch it when she move.

Verse 2- I watch, I watch, watch it when she move. don't stop, don't stop, got me in the mood. pop pop you did it, pushed it to the limit. not avant, umma need more than four minutes. when it comes to sexy women, you're the definition.

Shawty got me wishing, wishing I can hit it. tell me if you with it, let me play my position. baby just admit it, that you gone let me get it. you want me, want me, let me hear you say it. voice like a song can I get it on my playlist. damn that's my favorite, I hope you ain't taken, cause umma bout to take it.

Chorus- lil momma dip, dip, dip, dip, and drop it to the ground.
She got her hips, hips, hips, hips, rocking to the sound.
I can not stop, I gotta, to watch it when she, move watch it when she move,
Watch it when she move.

Verse 3- we in the club she rocking, she rocking, she rocking.
She cutting up, she popping, she popping, she popping.

That's wassup, she dropping, she dropping, she dropping.
And you know what I'm doing, I'm watching, I'm watching, I'm watching.
Let me see you dip, dip, dip, dip, dip, baby shake them hips, hips, hips, hips, hips, hips. I wanna see you drop, drop, drop, drop, drop.
Pop it, drop it, for me girl.

Chorus- lil momma dip, dip, dip, dip, and drop it to the ground.
She got her hips, hips, hips, hips, rocking to the sound.
I can not stop, I gots, to watch it when she, move watch it when she move,
Watch it when she move.
