I've been living  
On the edge of time  
Never thinkin'  
Twice inside my mind  
I've been given  
A second chance too...  
Since I found him  
I never lose

I caught an angel  
In my pocket  
Got an angel;  
He's forever mine  
I caught an angel  
In my pocket  
Got an angel  
'Til the end of time

Make three wishes,  
Catch a falling star (star, star)  
Take me somewhere,  
Take me very far  
Freedom, fortune  
To name a few, too  
Holds my secrets  
He knows the truth

I caught an angel  
In my pocket  
Got an angel;  
He's forever mine  
I caught an angel  
In my pocket  
Got an angel  
'Til the end of time

Now I'm never alone,  
He will never leave  
I'll conjure thee  
Alone every night (every night)  
Lead me into  
The shadows behind the dark

Lead me into  
A forest of light

I've been livin'  
On this edge of time  
I made three wishes  
And now he's mine

I caught an angel  
In my pocket  
Got an angel;  
He's forever mine  
I caught an angel  
In my pocket  
Got an angel  
'Til the end of time

Caught an angel  
(Oh, oh I know  
That he's mine)  
Caught an angel  
(I wanna keep him  
'Til the end of time)

[Repeat and FADE]
