

One Accord "Living For You"

When Your life fills my life
And everything is all right
I'll rejoice in You
When the darkness surrounds
And there's no hope to be found
I will trust in You

(You) are the ones that leads me through
No matter what life brings my way
I will always live for You
I will live for You
We're living for You, You, You Jesus
We're only living for You, You, You
No higher name, no other way but Jesus

You, You, You
We're living for You, You, You
We want the world to see, the world to see
That we're living for You
You are the way
You are the truth
Everyday I will live for
