

One Accord "Take All Of Me"

Visit "[Take All Of Me](#)" on MotoLyrics.com

Take my heart
And let it beat with love for all humanity
I want to love like you
Take my mind and let it think
In truth and purity
I want to think like You

Make me like You
Take all of me

Take my feet and let them go
Places no one else will go
I want to be with you
Take my hands and let them heal
So all may see your power revealed

I want to touch like You
When I think of all You have done
I cannot be too much
To give my life to see your kingdom come
