(Corner boys)

Could, could, could this be love x3

(Courtney)

The first time I saw you girl, I knew that
You'd be the one to change my world
I'm so into you, and everything I had before

{:Pre-Chorus:} (Courtney)

Everything I had before, was nothing more (than
infatuation Oh yeah yeah)
But when you came through that door,
I became sure (of what I was to do)

{:Chorus:} (Courtney)

Could this be love, love
('cause' I never ever felt this way)
Could this be love, could it be love
(And if so I want this feeling to stay)
Could this be love

(Rob)

I tried, I tried to walk away
From you, but my heart
Controls the things I say and do,
I'm so into you, and everything I had before

{:Pre-Chorus:} (Rob)

Everything I had before, was nothing more (than
infatuation, yay, whoooooa)
But when you came through that door, (came through
the door)
I became sure (of what I was to do)

{:Chorus:} (Rob)

Could this be love, love
('cause' I never ever felt this way)
Could this be love, could it be love
(And if so I want this feeling to stay)
Could this be love

Could this be love, love

('cause' I never ever felt this way)
Could this be love, could it be love
(And if so I want this feeling to stay)
Could this be love

(:Bridge:)(Mic)
I think that you might be the one (think that you might
be the one for me)
I think that you might be the one (the one, the one for
me)

{:Chorus:}(Mic)
Could this be love, love
('cause' I never ever felt this way)
Could this be love, could it be love
('cause if so I want this feeling to stay)
Could this be love, love
('cause I never ever felt this way,)
Could this be love, could it be love
('cause if so I want this feelin to stay)
Could this be love

Could, could, could this be love x4
