I flashing back  
About  
Us  
And I  
Wanna see  
You

Cuz I don't wanna feel like i feel  
If my baby don't feel like i feel  
When I feel like i like it  
So I got a Pill  
If you really wanna chill  
Let me give you that pill  
Don't knock it till you try it

Baby I want you next to me  
So might as well stop textin me  
And I know you wanna have sex with me  
So we might as well try Ecstasy  
Oh Girl

Cuz I don't wanna feel like i feel  
If my baby don't feel like i feel  
When I feel like i like it  
So I got a Pill  
If you really wanna chill  
Let me give you that pill  
Don't knock it till you try my  
Ecstasy  
Ecstasy Girl

Cuz I don't wanna feel like i feel  
If my baby don't feel like i feel  
When I feel like i like it  
So I got a Pill  
If you really wanna chill  
Let me give you that pill  
Don't knock it till you try my X

Baby I  
Can't

Stop drinking  
And I can hear  
My heart  
Beatin

I ain't never love you like I love you right now  
I ain't pop that pill  
So this is really how I feel  
About cha  
But I don't wanna feel like I feel  
If my baby don't feel like i feel  
So I'm not gona pop that pill  
Without Cha

Lets do Ecstasy  
Oh girl  
Cuz I don't wanna feel like i feel  
If my baby don't feel like i feel  
When I feel like i like it  
So I got a Pill  
If you really wanna chill  
Let me give you that pill  
Don't knock it till you try my  
Ecstasy  
Ecstasy Girl

Cuz I don't wanna feel like i feel  
If my baby don't feel like i feel  
When I feel like i like it  
So I got a Pill  
If you really wanna chill  
Let me give you that pill  
Don't knock it till you try my X

Want you to be my X  
Girlfriend  
This week  
Bang  
Bang  
Skeet

Shawty  
We can do it all night long  
On and On  
Till another song come on  
Tell me what's wrong with that  
Nothing  
But I'ma keep  
Beatin and Beatin  
I wanna keep  
skeetin and skeetin

I can't go to sleep  
I'm on fuckin crack  
Or something

Maybe it's the Ecstasy  
Oh Girl

Cuz I don't wanna feel like i feel  
If my baby don't feel like i feel  
When I feel like i like it  
So I got a Pill  
If you really wanna chill  
Let me give you that pill  
Don't knock it till you try my  
Ecstasy  
Ecstasy Girl

Cuz I don't wanna feel like i feel  
If my baby don't feel like i feel  
When I feel like i like it  
So I got a Pill  
If you really wanna chill  
Let me give you that pill  
Don't knock it till you try my  
X
