whoa, i'm flashing back
bout, us
and i, wanna see, you.
whoa, cause i don't wanna feel like i feel
and my baby don't feel like i feel when i feel like i like it
so i gotta pill if you really wanna chill let me give you
that pill
don't knock it till you try it
baby i want you next to me
so you might as well stop texting me
and i know that you wanna have sex with me
so we might as well try xtacy ooh girl

cause i don't wanna feel like i feel
and my baby don't feel like i feel when i feel like i like it
so i gotta pill if you really wanna chill let me give you
that pill
don't knock it till you try my xtacy, xtacy, girl
cause i don't wanna feel like i feel
and my baby don't feel like i feel when i feel like i like it
so i gotta pillll if you really wanna chill let me give you
that pill
don't knock it till you try my x.

baby i, cant, stop drinking,
and i can hear, my heart ,beating
i ain't never love you like i love you right now
wanna pop that pill so this is really how i feel
bout cha
but i don't wanna feel like i feel
and my baby don't feel like i feel so i'm not gonna pop
that pill without cha

let's do xtacy, oh girl

cause i don't wanna feel like i feel
and my baby don't feel like i feel when i feel like i like it
so i gotta pill if you really wanna chill let me give you
that pill
don't knock it till you try my xtacy, xtacy, girl
cause i don't wanna feel like i feel
and my baby don't feel like i feel when i feel like i like it

so i gotta pill if you really wanna chill let me give you
that pill
don't knock it till you try my xtacy,
damn

i want you to be my ex girlfriend this week
bang(bang bang), bang(bang bang), skeet.
shawty.. we can do it all night long on and on till
another song come on
tell me what's wrong with that? nothing
but i'ma keep beatin and beatin i wanna keep skeetin
and skeetin
i can't go to sleep i'm on fucking crack, or something
maybe it's the xtacy, oh girl
cause i don't wanna feel like i feel
and my baby don't feel like i feel when i feel like i like it
so i gotta pill if you really wanna chill let me give you
that pill
don't love till you try my xtacy, xtacy, girl
cause i don't wanna feel like i feel
and my baby don't feel like i feel when i feel like i like it
so i gotta pill if you really wanna chill let me give you
that pill
don't knock it till you try my x.
