I was five and he was six
We wrote down horses made of sticks
He wrote black and I was white,
He would always win the fight,
Bang, bang, shut me down,
Bang, bang, hit the ground,
Bang, bang, a lot of sound,
Bang, bang, my baby shut me down.

Yeah, ohh

But I'm gonna look for the one that... gangsta, gangsta
girl
I love it when she... 'cause I can't help when she put it
like that
Come on set on my love,
And I never... chocolate, she know how to act it
And that's the girl,.. when I buy love she buy back
... I'm asking how you do that, 'cause she got, got my
brain stuck...

[Chorus:]

... she's a gangsta, she's a gangsta,
She's a gangsta, she's a gangsta,
... she drop the,.. she let me know that she's the
gangsta
... use tha gangsta,.. use the gangsta, yeahhh
... use tha gangsta,.. use the gangsta, yeahhh
... use tha gangsta,.. use the gangsta, yeahhh
... use tha gangsta,.. use the gangsta, yeahhh

... as she come in... so tick
She know how to crap in, with her partner peaches
They begin in freak yeah,
This... asking how she do yeah, as she got, got my...

[Chorus]

Uhh, yeah girl, you're so official
Like a referee with a whistle
I have to...

... on a dizzle
How many licks do we take
Do get to the sinner...
Ain't try to be rude but right there look... in the middle
This, right here, in your song, girl
Here, I have, take off your tongue
As you headed to the top...
She drop it low in five, four, three, two

[Chorus]
