Yeah.. Yeah..

I like my money on the double
Chicks on the double
Get lip by the double
My dri drinks by the double

I like my money on the double
Chicks on the double
Get lip by the double
My dri drinks by the double

See we be on that greasy ish
so you just gotta catch it
and we be on that ballin ish
so ballin is a habit

(Oops)

Why you tryna complicate us
Still shootin free throws and oh..

Pain came along took a shot for the win

Now the crowds screamin loud
for the OC family, you can see it through the clouds
