Aye she bad, Aye she bad, Aye she bad, Aye she bad
Look at her - she sexy, Look at her - she sexy,
Look at her - she fine, Look at her - she mine!! LOOK AT

~VERSE 1~

From her legs to her hair, she gotta thang...
I cant help but to stare, look at her frame...
Smile so beautiful, style so unusually flyy...
From the club to the bed, she off da chain...
And I know 'cause I seen it in my dreams...
And it may sound typical, I gotta get her, she mine...
And if I had that one chance, I'd get in where I fit in...
girl I...
All I need is one chance, I'll give u all I got, girl I...

~CHORUS~

Girl I see u turnin my way,
the way u movin baby it makes me wanna have to say
I'm lookin at chu...baby I'm lookin at chu...
So dont be ashamed to be sexy
It's a private party just u and me,
Don't be scared to do what you do at my hotel suite
So tell me wuzzup, let's meet up after the club, u can
be my own fantasy
Look at her, Look at her Whooaaiii [[I love the way she
do it]]
Look at her, Look at her Whooaaiii [[I love the way she
do it do it]]
Anytime u need it girl u just call on me, betta yet just
call on us, easy as 1 2 3...
