I convinced to let ur gaurd down for me

Now baby don't lay it on me cause i'm only human  
but if u take me back maybe i can change my ways  
i can't guarentee you anything  
i ain't perfect

but i can give you my word

this is my word  
i'll make my way back into your heart  
babe girl  
thats my word.....yeah

i admit that i've done some damage wasn't thinking of
