[Verse 1]

I can see ya right in front of me. She's makin' me hot but I can't leave the scene. I don't know what she's done to me. So addicted and stuck, but I can't get away.

[Chorus]

So sexual, experimental, ??? I need to know,???

I'ma do me, I'm hopin' that you like that Griffin (?) you see, we can't without. And don't bother me, long as we get together. I get to see, when you get sexual.

[Verse 2]

The way she moves so hipnotizin', She's got me all on her spell. I'm feelin' weak at the knee. There's a? And no one can doubt her. Hopefully she listen to me.

[Chorus]

So sexual, experimental, ??? I need to know,??? I get to see, when you get sexual.

I'ma do me, I'm hopin' that you like that. Griffin (?) you see, we can't without. And don't bother me, long as we get together. I get to see, when you get sexual.
