Oh la la  
Bang la detch

Hello  
Hey hold on what you talkin about man  
Man come on none of that's real right there  
You know these girls be out here lyin man  
Hello?  
Hello?  
Damn

I'm rushing home...  
She said she's packing her things and she's leaving the  
keys to the front door...  
Should I have known? that it would happen once again?  
Was there something I could've done to make her stay?  
And watch her turn around and find the freedom to  
walk out another day...  
I'm sick of this love!  
I'm caught up in my fears and it's tearing me up...

I'm so emotional  
Ever since the situation  
My mind is tellin' me I'm no good.  
Every since you've been gone  
Life just ain't the same,  
There's no one else to blame but love  
I'm so emotional  
I'm crying,  
Even though the tears have never fallen from my eyes  
I'm so emotional  
I'm so emotional

The week is gone  
Still looking at these 4 walls  
Thinkin if I should pick up the phone  
Like what I'm gonna say to you?  
My bed has never been so cold  
And baby it hurts  
I said it hurts to hear you say  
You ain't needing me like I've been needing you to feel  
this space

And I'll never have a chance to feel again

I'm so emotional  
Ever since the situation  
My mind is tellin' me I'm no good  
Every since you've been gone  
And life just ain't the same,  
The only one to blame is love  
I'm so emotional  
I'm crying,  
Even though the tears have never fallen from my eyes  
I'm so emotional  
I'm so emotional

I'm hurting!  
Tryin' to hide the pain inside but it's tearing me up  
- I'm falling  
I'm loosing ever since she said goodbye  
Why she giving me up? I'm so emotional  
I'm hurting!  
Tryin' to hide the pain inside though it's tearing me up  
- I'm falling  
I'm loosing it ever since she said goodbye  
Why she giving me up?

I know I've waited too long to fix my mistakes  
I know I treated her wrong  
But there's gotta be easier way to heal my pain  
She left me feeling...  
Oh  
Oh  
Oh

I'm so emotional  
Eversince the situation my mind is tellin' me I'm no  
good.  
Ever since you've been gone  
Life just ain't the same, (Life just aint the same)  
There's no one else to blame but love (no one else to  
balme)  
I'm so emotional  
I'm crying, (I'm crying even though the tears have  
never fallen no, no, no)  
Even though the tears have never fallen from my eyes  
I'm so emotional (Yeeahh)  
I'm so emotional

If anybodies out there  
Knows what I'm feelin'  
Put cha hands in the air  
Let me hear ya say

Ohhh (Ohhh)  
Ohhh (Ohhh)  
Ohhh (Ohhh)  
If anybodies out there  
Knows what I'm feelin'  
Put cha hands in the air  
And say  
Ohhh(Ohhh)  
Ohhh (Ohhh)  
Ohhh(Ohhh)
