[Intro]

On Everything

You know I hurt you when I lied to you

So bogus Baby

Naw you didn't deserve that

On everything

I never meant to hurt you

You was the best thing that ever happened to me

I'm sorry

On everything

[Verse 1]

I know you got tired

(tired)

Of me showing up at your house 2 hours late

Aye

Making up excuses

(excuses)

You could tell that I was lying right to your face

Oh ooh oh

[Hook]

I don't know what was wrong with me

I don't know

Was tripping like I didn't know that...

Didn't know that

You were the best thing...

Oh ooh oh oh oh

That ever happened to me

That ever happened to me yeah

If you could find it in your heart to give me just one
more chance

Yes one more chance yeah yeah yeah

[Chorus]

I'm gonna be what you want me to be...

Oh Baby

If you let me back into your world

Only if you let me back in...I promise

I promise I'm through with the games

That's my word girl

That's My Word

[Verse 2]

I know I was selfish

(selfish)

I thought everything revolved around me

Ooh oh yeah yeah

And now I'm helpless

(helpless)

Cause I don't know what's it's gonna take to make you
believe me again

Ooh oh oh

[Hook]

I don't know what was wrong with me

With me Oh

Was tripping like I didn't know that...

Like I didn't know

You always had my back

Yes you did baby

Can you forgive me

Now Whoa Oh ooh oh oh oh

If you could find it in your heart to give me just one
more chance

Oh I'm gonna be...

[Chorus]

I'm gonna be what you want me to be

What you want me to be if you...

If you let me back into your world

Back into your world

Hey hey

I promise I'm through with the games

With the games

Oh

That's my word girl

That's my word on everything baby

[Bridge]

Listen

Baby

This time around...

I'll take good care of your heart

And I'll listen to you instead of...

Waiting to talk so much

Hey

Yeah

And I hope you see how much I've changed

All I need is just one more chance

[Chorus]

I'm gonna be what you want me to be

Baby
If you let me back into your world
Let me be...
Back in your world
Back in your world yeah
I promise I'm through with the games
Games
That's my word
That's my word baby
Oh

[Chorus]
I'm gonna be what you want me to be...
I'm gonna be what you want me to be baby
If you let me back into your world
Whoa oh whoa oh whoa oh whoa oh oh ooh
Yeah yeah
I promise I'm through with the games
Games
That's my word
That's my word
Yeah yeah
Baby I'm....

[Outro]
Not gonna lie no more
Not gonna cheat no more
Not gonna lie no more
Not gonna cheat no more
Not gonna lie no more
No more...
Not gonna cheat no more
Hey baby I'm...
Not gonna lie no more
Not gonna cheat no more baby
