I, I will split you in two
Say, say move
I strike quickly being moved
You're all, you're all dogs
Yes, you're dogs of the house
A weak, weak, weak, weak slave
A weak slave goes to the wall
Because I, I am
A pretty piece of flesh I am
A pretty piece of flesh I am
A pretty piece of flesh I am
A pretty piece of flesh I am
Go go, foes can never measure to the crew as we roll
on
Blast the amplifiers in the back with the soul on
A pretty piece of flesh, and yes, you better show your
crest
Shoulder holster strapped, I'm pulling from the chest
Guess who's gonna be the first to pull it from you
Butt of the steel seal representing Montague
Lovelorn, torn from two sides, singin' of dark skies
And through the heavens I be seeing worlds collide
Chi Chi bow stars and bottle rocket fantasies
But on the streets some knights and killers they be
after me
Trippin' with Ethel under moonlight skies
But then you wake up in the danger zone in souped-up
rides
I'm dodgin' bullets and bang, it's hard to hang
Doin' a hundred miles an hour like a video game
Rollin' brick-thick and diesel thinkin' nothing can faze
me
With nickel-plated swords swinggin', livin' is crazy
Stars collide, worlds divide with a pretty piece of flesh
Your little pretty piece of flesh
Stars collide, worlds divide with a pretty piece of flesh
Your little pretty piece of flesh
I am a pretty piece of flesh I am
A pretty piece of flesh I am
A pretty piece of flesh I am
A pretty piece of flesh
I will split you in two

Say, say move
I strike quickly being moved
You're all, you're all dogs
(stars collide, worlds divide with a pretty piece of flesh)
Yes, you're dogs of the house
(pretty piece of flesh)
A weak, weak, weak, weak slave
(stars collide, worlds divide with a pretty piece of flesh)
A weak slave goes to the wall
(pretty piece of flesh)
Because I, I am
A pretty piece of flesh I am
A pretty piece of flesh I am
A pretty piece of flesh I am
A pretty piece of flesh I am
Stars collide, worlds divide with a pretty piece of flesh
Your little pretty piece of flesh
Stars collide, worlds divide with a pretty piece of flesh
Your little pretty piece of flesh
