Drained myself to the end
Gave it all but you're so blind

Time and time again I let you in, all sins forgiven
How much longer can I keep this up?
I won't fall for you again, but I love you
You can't change the way I feel, can't live without
you
I'm figuring it out, my conscience tells me you're not
worthy
I deserve better than this

Well I'll ignore you, forget you,
But I can't forgive you
If it's not what you want
I have no more to say
If you want me, forgive me
It won't happen baby
You've hurt us both
Too many times, too many times

Set myself up once again
For my downfall
They all stare right back at me
No one listens

I'm up against the world
If I let you go then I let it all go
Will we ever be the same?
Why'd I let you slip away? And yet you're right here
We've had so much time to heal,
But still I'm wounded
I'm crawling closer now but it's hard to give in, I let
you win
What if I had kept you close, would we still be here?
Well I'll ignore you, forget you,
But I can't forgive you
If it's not what you want
I have no more to say
If you want me, forgive me
It won't happen baby
You've hurt us both

Too many times, too many times
And Iâ€™m sitting here all alone in the dark
And it makes me think, where am I going?
I take a minute and think, how we used to fly
Is that why itâ€™s so hard for us to say our goodbyes?
Well Iâ€™ll ignore you, forget you,
But I canâ€™t forgive you
If itâ€™s not what you want
I have no more to say
If you want me, forgive me
It wonâ€™t happen baby
Youâ€™ve hurt us both
Too many times, too many times

And now I know itâ€™s not who we are, itâ€™s who we were
We are not what we used to be
And now I know itâ€™s not who we are, itâ€™s who we were
We are not what we used to be(Well Iâ€™ll ignore you,
forget you,
(But I canâ€™t forgive you
If itâ€™s not what you want
I have no more to say
If you want me, forgive me
It wonâ€™t happen baby
Youâ€™ve hurt us both
Too many times, too many times)
