Ill Capitano  
An anti social psychopathic savage  
A rock n roll soldier in the name of Satan

Young and fierce  
And with black eyes of death  
No reaction, only alcoholic action  
With no discretion  
The spit and the piss  
Washes Christ's body and soul

Saint Lucifer  
Obey the talk and do the walk  
Pushed into the corner of the dark  
Saint Lucifer  
Of failure and rape comes the demon forth  
Make no mistake  
The bloodshed has just begun

Rebel with hatred  
In the house of the holy  
He is a king of fictional reality  
Where there's no law

Young and fierce  
And with black eyes of death  
No reaction, only alcoholic action  
With no regrets  
He puts your head on a plate  
No salvation for the weak and the innocent

Saint Lucifer

Obey the talk and do the walk  
Pushed into the corner of the dark  
Saint Lucifer  
Of failure and rape comes the demon forth  
Make no mistake  
The bloodshed has just begun

Shattered civilians  
Staring at the eyes of a cursed individual

They're bleeding in the chapel  
As the final shooting ends their prayers  
It's the dawn of Satan's love for youth gone wild

Young and fierce  
And with black eyes of death  
No reaction, only alcoholic action  
With no regrets  
He puts your head on a plate  
No salvation for the weak and the innocent

Saint Lucifer  
Obey the talk and do the walk  
Pushed into the corner of the dark  
Saint Lucifer  
Of failure and rape comes the demon forth  
Make no mistake  
Saint Lucifer has come for you
