Master surgeon-playing, masturbating
Demonstrating his unholy powers
Blood brothers pouring out in research
Laboratory rats - left in the lurch

The mind is burning
Dirty pale face is shining
Zombies hunger for the flesh
Mad laughter of royal triumph
Sick way of showing love
Dead people in the kings care

So grim so true so real
Cold fact is melting, heaven turns to hell
So grim so true so real
Unfold warmachine, untold lovin' feelin'

Solo

Infernal magic, operating internally
Hearts freezing, friends can't be found
War takes us down, standing all alone
So greet me no more, I'll soon cut your fuckin' throat

So grim so true so real

Cold fact is melting, heaven turns to hell
So grim so true so real
Unfold warmachine, untold loving feeling

The old man's playing with dolls
Forcing the needle in real hard
Breaking down the circus of man
Maybe next time he'll get this shit right

Solo

Master surgeon-playing, masturbating
Demonstrating his unholy powers

The mind is burning
Dirty pale face is shining

Zombies hunger for the flesh
Mad laughter of royal triumph
Sick way of showing love
Dead people in the kings care

So grim so true so real
Cold fact is melting, heaven turns to hell
So grim so true so real
Unfold war machine, untold lovin' feelin'
