I climbed up a tree to see if I could get to you  
I climbed up a tree I crashed to the ground  
I climbed up a tree to see if I could get to you  
I climbed up a tree I'm not coming down

I can't let it be, the man on the street says  
I can't let it be, we're doing fine  
I can't let it be, I'm doing fine  
I can't let it be, I'm doing fine

I climbed up a tree to see if I could get to you  
I climbed up a tree crashed to the ground  
I climbed up a tree to see if I could get to you  
I climbed up a tree I'm not coming down

I'm not coming down  
I'm not coming down  
I'm not coming down

To read and write, not to read what's right  
The difference can blind for life  
Up into the light, the fight continues  
I continue to fight, despite all I see  
The blatant apathy or just the illusion of it

Life sure knows how to pack a punch  
The Bundy's not the Brady Bunch next door  
X-rated hardcore step up take the floor  
Tell me what you see  
Mysterious ways just doesn't do it for me

I climbed up a tree to see if I could get to you  
I climbed up a tree I crashed to the ground  
I climbed up a tree to see if I could get to you  
I climbed up a tree I'm not coming down

I can't let it be, the man on the street says  
I can't let it be, we're doing fine  
I can't let it be, I'm doing fine  
I can't let it be, I'm doing fine

I climbed up a tree to see if I could get to you

I climbed up a tree crashed to the ground  
I climbed up a tree to see if I could get to you  
I climbed up a tree I'm not coming down

I'm not coming down  
I'm not coming down  
I'm not coming down

To fight for life, not to fight for life  
The wrong road can lead to Christ  
A day in the life of, in spite of  
Those who have turned the lights off  
To write me up as a write off

Wrong move, wrong move  
Wrong move, wrong move  
To write me up as a write off  
Wrong move

As good as it gets  
Get used to it  
Nobody's coming for you  
Who's coming for me? Guess

As good as it gets  
Get used to it  
Nobody's coming for you  
Who's coming for me? Guess

As good as it gets  
Get used to it  
Nobody's coming for you  
Who's coming for me? Guess

As good as it gets  
Get used to it  
Nobody's coming for you  
Who's coming for me? Guess
