i am x4
i am not supposed to see what i see
you are not supposed to turn your eyes
i cant believe what i see
a bigger fool i guess to question why

it is not somebody elses problem
it is not somebody elses fight
i am not responsible for you
i am not responsible for your plight

society - your gonna get whats coming to ya
society - your gonna see what you deserve
society - your gonna get whats coming to ya
just because i can and have the nerve

i am not prepared to compromise
i am not prepared to compromise
i am not prepared to compromise
i am not prepared to compromise no

NO!! , NO!! , NO!!

i am x4
i am not supposed to feel like i feel
and its not that i dont when i can
some days i want to be the shepard
and theres days when i dont give a damn

i am not supposed to see what i see
every moment spent is stuck on why
i cannot sit back and make the most of it
a bigger fool i guess to even try

society your gonna get what's coming to ya
society your gonna get what you deserve
society your gonna get what's coming to ya
just because I can and have the nerve

I am not prepared to compromise
I am not prepared to compromise

I am not prepared to compromise
I am not prepared to compromise no

NO!! , NO!! , NO!!
