Please remain calm.
Please remain calm.
Please remain calm.
Please remain calm.
Please remain calm.

This is your last warning.
This is your last warning.
This is your last warning.
This is your last warning.

Why should I, why should I,
why should I, why should I,
should I, why?

Why should I, why should I,
why should I, why should I,
should I, why?

Why should I, why should I,
why should I, why should I,
should I, why?

Why should I, why should I,
why should I, why should I,
should I, why?

Comply, comply, comply,
sign on the dotted line,
let simple Simon tell me,
when to eat, shit, sleep, smile.
Hear no evil, see no evil,
speak no evil, live, die,
not a man among you with the courage to question
why.

Please remain calm.
Wake up, wake up, wake up.
Please remain calm.
Wake up, wake up, wake up.
Please remain calm.
Wake up, wake up, wake up.

Please remain calm.
Wake up, wake up, wake up.

This is your last warning.
This is your last warning.
This is your last warning.
This is your last warning.

Why should I, why should I,
why should I, why should I,
should I, why?

Why should I, why should I,
why should I, why should I,
should I, why?

Why should I, why should I,
why should I, why should I,
should I, why?

Why should I, why should I,
why should I, why should I,

should I, why?

Why should I, should I, why?
Why should I, should I, why?
Why should I, should I, why?
Why should I, should I, why?

Please remain calm.
Wake up, wake up, wake up.
Please remain calm.
Wake up, wake up, wake up.
Please remain calm.
Wake up, wake up, wake up.
Please remain calm.
Wake up, wake up, wake up.

Please move back!

Future, my future, my future's in the hands of fools,
future, my future, my future's in the hands of fools.
Future, my future, my future's in the hands of fools,
future, my future, my future's in the hands of fools.

Future, my future, my future's in the hands of fools,
future, my future, my future's in the hands of fools.
Future, my future, my future's in the hands of fools,
future, my future, my future's in the hands of fools!

Future, my future, my future's in the hands of fools,
Please move back!
future, my future, my future's in the hands of fools.
Please move back!
Future, my future, my future's in the hands of fools,
Please move back!
future, my future, my future's in the hands of fools.

This is your last warning!
Fuck!
This is your last warning!
Fuck!

Fuck!!
Fuck!!!
Fuck!!!!

Move back,
move back,
Move back,
Please
move back.

Move back,
move back,
Move back,
Please
move back.
