My whole life waiting for the right time  
To tell you how I feel  
I know I try to tell you that I need you  
Here I am without you.  
I feel so lost but what can I do?  
'Cause I know this love seems real  
But I don't know how to feel

We say goodbye in the pouring rain  
And I break down as you walk away  
Stay... Stay  
'Cause all my life I felt this way  
But I could never find the words to say  
Stay... Stay

Alright, everything is alright  
Since you came along  
And before you  
I had nowhere to run to  
Nothing to hold on to  
I came so close to giving it up  
And I wonder if you know  
How it feels to let you go?

You say goodbye in the pouring rain  
And I break down as you walk away  
Stay... Stay  
'Cause all my life I felt this way  
But I could never find the words to say  
Stay... Stay

So you change your mind  
And say you're mine  
Don't leave tonight  
Stay...

Say goodbye in the pouring rain  
And I break down as you walk away.  
Stay... Stay  
'Cause all my life I felt this way  
But I could never find the words to say

Stay... Stay

Stay with me, stay with me,  
Stay with me, stay  
Stay, with me.
