Eeah!
Reee!
Verify my love, are you ready for this?
Show your creed, faith, hope and love
We want more and more, are you ready for this?
Show your love

Mistakes occur, before I fall,
Nothing can save me
Frozen mind drawing on the wall,
Just me and you

Look inside of me and tell me what you see
(Uh-uh-uh)
So come a little bit closer to me tonight
And take my breath away

Just me and you, just me and you
Just give me a chance

Verify my love, are you ready for this?
Show your love, faith, hope and love
We want more and more, are you ready for this, for
this?
Take your last breath

Put your wings down
Put your wings down
Look inside of me, take your breath away

Get my mind fresh, so fresh
And bless my choices!
God show me the way, get my mind fresh
And bless my choices, and bless my soul

Show the better way,
We're feeling free, free like a bird
Show the better way,
We're feeling free like a free bird
