Oh oh uh

All the right friends
In all the right places
So yeah, we're going down
They've got all the right moves
In all the right faces
So yeah, we're going down

Let's paint the picture
Of the perfect place
They've got it better than when anyone's told ya
They'll be the King of Hearts, and you the Queen of
Spades
Then we'll fight for you like we were your soldiers

I know we've got it good
But they've got it made
And the grass is getting greener each day
I know things are looking up, but soon they'll take us
down
Before anybody's knowing our name

They've got...

All the right friends in all the right places
So yeah, we're going down
They've got
All the right moves in all the right faces
So yeah, we're going down

They say
Everybody knows, everybody knows where we're going
Yeah, we're going down
They say
Everybody knows, everybody knows where we're going
Yeah, we're going down

Do you think I'm special?
Do you think I'm nice?
Am I bright enough to shine in your spaces?
Between the noise you hear, and the sounds you like

Are we just sinking in the ocean of faces?
It can't be possible... the rain can fall
Only when it's over our heads.
The sun is shining everyday, but it's far away.
Over the world that's dead.

They've got, they've got...

All the right friends in all the right places
So yeah, we're going down
They've got
All the right moves in all the right faces
So yeah, we're going down

They say
Everybody knows, everybody knows where we're going
Yeah, we're going down
They say
Everybody knows, everybody knows where we're going
Yeah, we're going down

It don't matter what you see
I know I could never be
Someone that'll look like you.
It don't matter what you say
I know I could never fake
Someone that could sound like you.

All the right friends in all the right places
So yeah, we're going down
They've got
All the right moves in all the right faces
So yeah, we're going down
(Repeat twice)

They say
Everybody knows, everybody knows where we're going
Yeah, we're going down
They say
Everybody knows, everybody knows where we're going
Yeah, we're going down

Yeah, we're going down(repeat twice)

All the right moves... heeey
Yeah we're going down
They say
All the right moves... heeey
Yeah we're going down
