I'm holding on your rope  
Got me 10 feet off the ground  
And I'm hearin' what you say but I just can't make a  
sound  
You tell me that you need me then you go and cut me  
down  
But wait  
You tell me that you're sorry didn't think I'd turn around  
and say:

That it's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late  
To late... oh...

I'd take another chance, take a fall, take a shot from  
you  
I need you like a heart needs a beat, it's nothing new  
Yeah, yeah  
I loved you with a fire red now it's turnin' blue  
And you say  
Sorry, like the angel heaven let me think was you  
But I'm afraid

It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late  
Oh... oh...

It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late

I said it's too late to apologize  
Yeah...  
I said it's too late to apologize  
Yeah...

I'm holding on your rope

Got me 10 feet off... the ground
