Oh I tried to get to you  
Pushed in the end to break me through  
I tried with all I had  
You left me standing empty handed

Well times has passed  
Nothing ever lasts

So now you confess that you need me  
And now you release what you're feeling  
But how is this suppose to ever be the same

Oh it's a shame  
It's a shame X2  
Yeaa

You got the best of me  
Got me a reason  
Got me on my knees yea  
My love I lost my pride  
Searching for something I couldn't find

Well time apart has brought a change of heart

And now you confess that you need me  
And now you release what you're feeling  
But how is this suppose to ever be the same

Oh it's a shame  
It's a shame X2  
Yeaa

You got the best of me  
I said love got the best of me  
Saying you got the best of me  
And I'm afraid it will never be the same

Oh it's a shame  
It's a shame X4
