Do you know where your heart is?
Do you think you can find it?
Or did you trade it for something
Somewhere better just to have it?
Do you know where your love is?
Do you think that you lost it?
You felt it so strong, but
Nothing's turned out how you wanted

Well, bless my soul
You're a lonely soul
Cause you won't let go
Of anything you hold

Well, all I need
Is the air I breathe
And a place to rest
My head

Do you know what your fate is?
And are you trying to shake it?
You're doing your best and
Your best look
You're praying that you make it

Well, bless my soul
You're a lonely soul
Cause you won't let go
Of anything you hold

Well, all I need
Is the air I breathe
And a place to rest
My head

I said all I need
Is the air I breathe
And a place to rest
My head

Do you think you can find it?
Do you think you can find it?

Do you think you can find it?
Better than you had it
Do you think you can find it?
Do you think you can find it?
Do you think you can find it?
Yeah, better than you had it (Better than you had it)

I said I all I need
Is the air I breathe
And a place to rest
My head

I said all I need
Is the air I breathe
And a place to rest
My head

Do you know where the end is
Do you think you can see it?
Well, until you get there
Go on, go ahead and scream it
Just say it
