I need another story
Something to get off my chest
My life gets kinda boring
Need something that I can confess
'Til all my sleeves are stained red

From all the truth that I've said
Come by it honestly I swear
Thought you saw me wink, no
I've been on the brink, so

Tell me what you want to hear
Something that will light those ears
Sick of all the insinceres
I'm gonna give all my secrets away

This time, don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away

My God, amazing how we got this far
It's like we're chasing all those stars
Driving shiny big black cars
And everyday I see the news
All the problems that we could solve

And when a situation rises
Just write it into an album
Sending it straight to gold
I don't really like my flow, no, so

Tell me what you want to hear
Something that will light those ears
Sick of all the insinceres
I'm gonna give all my secrets away

This time, don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away

Oh, got no reason, got not shame
Got no family I can blame

Just don't let me disappear
I'm 'a tell you everything

So tell me what you want to hear
Something that will delight those ears
Sick of all the insinceres
So I'm gonna give all my secrets away

This time, don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away

So tell me what you want to hear
Something that will light those ears
Sick of all the insinceres
So I'm gonna give all my secrets away

This time, don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away
All my secrets away, all my secrets away
