Patience
Took you for everything
Looked like a diamond ring
and you wore it so much longer than made sense
Apathy in disguise
Crept on you like a spy
Hurt you in ways
You can't describe

[Bridge]
Back to the start now
I won't let you go this way now

[Chorus]
Honesty
Is what you need
It sets you free
Like someone to save you
Let it go
But hurry now
There's undertow
And I don't want to lose you now

All right
Sit down and spill your heart
Let's start from the very start
Cause I can see by your eyes
You're wasted
Your energy comes and goes
You taking your time, you know
Nothing can change what happened, you know

[Bridge]
[Chorus]

Now
Now
Oh my
Look at your bright stars fade so
How much can you take?

[Chorus]

Na Na Na Na Na Na Na (x14)
I said to save you
Save you
Save you
Someone to save you
What you need is
Someone to save you
