Watching myself when I'm taking strides but here
comes the moon and it feels and it feels like an
informer quick run away hide before they see you, you
know it is all, all a glow

Walking on water seems parlays now you got my trust
and it feels, and it feels like sabotage when I'm pulling
triggers back on myself you know it is all I know, is all I
know

And it feels so real from the outside looking in
And it feels so real from the outside
From the outtttt
From the outtt tyrant
Tyrant tyranttt

Feel capable of most anything this crippled bird's
gonna sing gonna bring you all the years is quick turn
around look your shadows could could not beautiful
lies for you is what they do...

And it feels so real from the outside looking in
And it feels so real from the outside
From the outtttt
From the outtt tyrant
Tyrant tyranttt

I'm stained with apathy I'm blind but I can see the tyrant
to the bone
I'm stained with apathy I'm blind but I can see

Don't justify me
Don't justify me
Don't justify meee

No no no no no no

And it feels so real from the outside looking in
And it feels so real from the outside
From the out
And it feels so real from the outside looking in
And it feels so real from the outside

From the out

Tyrant tyrant tyrant oooo ooo ooo
