"Jesus walked upon the water
Man walked on the moon
Now the world needs another miracle.
1903 fly high in the aeroplane
1904 well the novocaine numbs the brain
1906 gettin' cleaner, gettin' cleaner
Sucked into '07 by this thing they call a vacuum cleaner
1914 (BAM) they're goin' crazy in Japan
for the 35, 35mm
1916 Albert's mind is off the leash
E=MC2 plus he's smokin' hashish
1912 the ship goes down
1914 a world war on our hands
All this negative, negative energy,
foreshadowing of the end of the century
(It sounds mysterious)
Jesus walked upon the water
Man walked on the moon
Now the world needs another miracle
Jesus walked upon the water
Man walked on the moon
Now the world needs another miracle
1928 a new disease called television
But it's alright cause there's a new cure - penicillin
1932, fun, a dowry oh my world's upside down
got my tongue stuck on the sun
1934, life's such a bore
maybe we should try this thing they call a drive-in
theatre
1943, the year of LSD, the year of LSD, the year of
LSD.....
Jesus walked upon the water
Man walked on the moon
Now the world needs another miracle
Jesus walked upon the water
Man walked on the moon
Now the world needs another miracle
1945, the year of the bomb (BOOM)
our intelligence could lead us to our doom
1946 the year of the computer
The year of the bikini, Mama Mia, fettuccini

1949 ya, we'll take ya higha,
we'll take ya higha with the super music amplifier
1949 ya, we'll take ya higha
we'll take ya higha with the super music amplifier
1952 Mr Playdoh man gets a sex change
do you find it strange, do you find it strange?
Its not too late to penetrate with what we innovate
(1957) Sending Sputnik past heaven
Beatles in America, 1964
Lucy so high in the sky with diamonds
1969, 69, 69 a lunar landing
then the man was walking on the moon.....ugh
Jesus walked upon the water
Man walked on the moon
now the world needs another miracle
Jesus walked upon the water
Man walked on the moon
now the world needs another miracle
1978, science gettin' crazy
we got rows and rows of these test tube babies
The world's already complex, so you find
1979 a rubix cube does bend your mind
1988, are you forty-six
pro life or choice
yo, what's your philosophy?
1993, finally humanity, comprehends, bans apartheid
and
1997, cloning we've got Dolly
we're the clone clowns in the future I'll be jolly.
2001 the towers fall, have we learned anything at all?
Have we learned anything at all?
Have we learned anything at all?
(Tune in to the king of songs and blues)
Jesus walked upon the water
Man walked on the moon
now the world needs another miracle X 4"
