Here we are The two of us together
I feel it in my heart
We can change the world
Forever
If you want me too
I'll be there for you
Just remember

Deep in my heart
A valley so true
I wanna know
Where to start
And baby
Deep in my heart
There are miracles too
Just let me know
How to start
When leaving your heart

Like a falling star
That shines in stormy weathers
Ill be where you are
As long as we're together
I will trust in you
Though your days are blue
Just remember

Deep in my heart
A valley so true
I wanna know
Where to start
And baby
Deep in my heart
There are miracles too
Just let me know
How to start
When leaving your heart

Deep in my heart
A valley so true
I wanna know

Where to start
And baby
Deep in my heart it's true
I will follow you
Deep in my heart it's true
I'll be there for you

Deep in my heart it's true
I will follow you
Deep in my heart it's true...

Deep in my heart
A valley so true
I wanna know
Where to start
When leaving your heart
