Hearing in the night like an angel while I'm sleeping  
I feel your arms around me, but sadly I'm just  
dreaming  
I stare into the darkness and hope to find you waiting  
But I know that its useless, I'm just halusinating  
And I swear your love is addicting  
I'd give him my world for you I come running  
And I swear that I have it all  
Then tell me why can't I stop thinking of you  
Its your voice that I hear  
Its your time that I fear  
And your love comes to me  
Everytime I think of you and my dreams  
Are so real and I know that you will see how I feel  
Everytime I think of you  
Of you  
Of you  
Of you  
I swear your love is addicting  
I'd give him my world for you I come running  
And I swear that I have it all  
Then tell me why can't I stop thinking of you  
Its your voice that I hear  
Its your time that I fear  
And your love comes to me  
Everytime I think of you and my dreams  
Are so real and I know that you will see how I feel  
Everytime I think of you  
Then tell me why can't I stop thinking of you  
Its your voice that I hear  
Its your time that I fear  
And your love comes to me  
Everytime I think of you and my dreams  
Are so real and I know that you will see how I feel  
Everytime I think of you  
Of you  
Of you  
Everytime I think of you  
yeahhhh  
ooohhh ooohhhh  
Everytime I think of you
