I don't need to be anything other than a prison guard's son
I don't need to be anything other than a specialist's son
I don't have to be anyone other than a birth of two souls in one
Part of where I'm going is knowing where I'm coming from

I don't want to be anything other than what I've been trying to be lately
All I have to do is think of me and I have peace of mind
I'm tired of looking 'round rooms wondering what I gotta do
Or who I'm supposed to be
I don't want to be anything other than me

I'm surrounded by liars everywhere I turn
I'm surrounded by imposters everywhere I turn
I'm surrounded by a deadly crisis everywhere I turn
Am I the only one to notice?
I can't be the only one who's learned

I don't want to be anything other than what I've been trying to be lately
All I have to do is think about me and I have peace of mind
I'm tired of looking 'round rooms wondering what I gotta do
Or who I'm supposed to be
I don't want to be anything other than me

Can I have everyone's attention please
See, not like this and that
You're gonna have to leave
I came from the mountain, the crust of creation
My whole situation made from clay, dust, stone
And now I'm telling everybody

I don't want to be anything other than what I've been trying to be lately
All I have to do is think of me and I have peace of mind

I'm tired of looking 'round rooms wondering what I'm
trying to do
Or who I'm supposed to be
I don't want to be anything other than me
I don't want to be
I don't want to be
I don't want to be
I don't want to be
